

**SELF-PAY PLAN\***

**Basic Primary Care Access Program**

\$25.00 per month \$300.00 per year

- Full access to clinic during office hours
- No co-pay or additional medical evaluation fees.
- "Client bill pricing" for any labs ordered.
- Care coordination with other providers and facilities.

\*This is NOT an insurance plan. This is only for patients of Carelife Medical who are non-Medicare, non-Medicaid or without adequate private insurance. Health Savings Accounts may be used. Internal practice policies and rules apply. This program gives the patient access to the medical practice and does not guarantee medical visit with any specific clinician or medical provider.

Patient agrees to one-time payment of \$300.00 up front for 1-year enrollment with automatic rollover. To cancel, enrollee must contact office manager. Hospitalization visits are not included in this plan.

2. Patients will be scheduled and seen as per clinic availability and medical priority. Prescheduled appointments will be preferred. Office will be closed on specific federal and religious holidays and/or holiday weekend. Normal office hours Monday- Friday 9:30 am to 3:30 pm. Saturdays visits by appointments only. Sundays Closed.

3. Due to variability of test, charges will be different per lab test ordered and will depend on patient's medical needs and the providers medical decision making

**4. Procedures and associated treatments are not covered.**
